

## What is SER Corporation?

SER Corporation has been offering services in Kansas to migrant and seasonal farmworkers in Kansas for over two decades. Our goal is to find permanent year round employment. We help you do this by supporting you in occupational and basic skills training.

## What programs are offered?

SER offers a variety of programs to fit the needs of the client.

**Classroom training** can be taking a class at a vocational school or getting into GED or ESL classes.

**On the job training** puts you immediately into a job where you train as you earn a regular wage.

SER may pay some of the necessary expenses to allow you to take advantage of these opportunities.

We can also prepare you to meet the expectations of the job market, and assist in your job search.

## Do I have anything to lose?

No, SER Corporation is funded by the Department of Labor, therefore, there is no charge to our clients or the companies who use our services.

## What will I gain?

You will gain the necessary skills needed in a field you are interested in.

You will become a productive citizen in your community.

You will no longer have to depend on seasonal farmwork for your income.

## Who is eligible?

If you have worked in feedlots, farms, ranches, grain elevators, green house or have done field work in the last two years, you may qualify if you meet certain income guidelines.

## How do I apply?

Complete the pre-application printed on the back and mail to the SER office nearest you. If you have any questions please call any of our offices. The toll-free numbers are listed on the front.
